

How to find the CLASSU Lounge (LI 009)

Greetings brave adventurer! Our lounge is a bit hidden away; however, couches, books, and tables await! Sometimes, you can even find FREE FOOD! So, here's how to get there:

Step 1: Find the Lillian Massey Building (125 Queen's Park)

Step 2: We're in the Basement, in the back corner (Room 009)

For a visual step-by-step, please see the following pages!

This is the Lillian Massey Building (ain't it pretty?!)

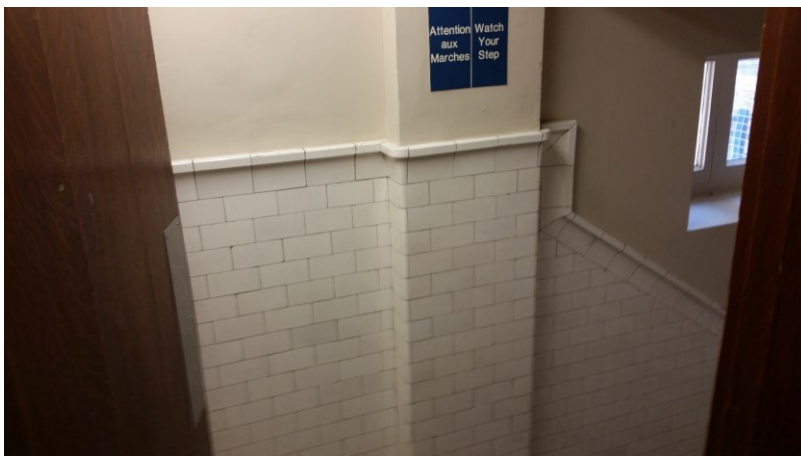

This is the atrium of the Lillian Massey Building (nicer than Sid Smith, right?).

Go to the left of the main stairs. Go through that wooden door.

Mind the step. Really, though, it's a big drop and people trip a lot.

Go down the stairs. If tall, mind your head. Go through the door.

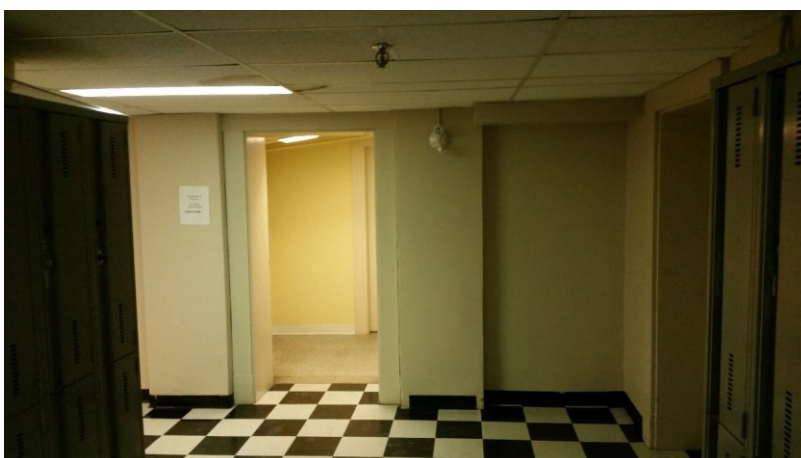

Notice the nice Mediaevalists' lockers. Turn left.

The elevator is to your left. Go straight through the portal.

This corner isn't always super dark and sketchy. Turn left, following the checked floor.

Keep following the checkered floor through the portal. Washrooms are on the left once through.

Welcome to the end of the checkered floor. Lounge magic is happening to your right.

The warmth (haha, not really) of the lounge beckons you in...

Congratulations! You have risen out of Plato's cave watching shadows of our Lounge and are now seeing the true form of the Lounge! Enjoy your newly-found freedom and our study space.
